Visitors with STANDARD reservations must arrive within the reserved arrival window, but you may stay as long as you like, until park closing hours. If you arrive outside of your reserved time window, you will be parked based on availability. Visitors with MEDIUM and LARGE reservations must arrive and depart within the reservation time slot. Reservations are non-transferable (may not be resold or otherwise transferred). There will be in-park spot checking to ensure the holder of the reservation is the person that made the reservation, or that person's secondary designation.

A full refund will be provided for cancellations of regular parking and shuttle reservations made at least 72 hours in advance of the reservation time. For medium and large vehicle reservations, there will be a \$10 cancellation fee. Visitors making a cancellation less than 72 hours in advance will receive a full refund for any pre-purchased park entrance fees, and no refund for their parking or shuttle reservation. Visitors are encouraged to cancel a reservation if they know their plans have changed, so that others can visit the park.

PRE-PURCHASED ENTRANCE FEES are valid for the date of entry only; are not transferable; are not replaceable if lost or stolen; are void if altered or reproduced. Changes to the number of pre purchased entrance fees can be made up until the time of your reservation.
